A vertical strip showing the binding of a book. The left side is a light-colored, possibly cream or off-white, cover material. The right side is a dark, textured spine, likely made of leather or a similar material, showing signs of wear and discoloration. The binding is visible in the center, where the two materials meet.

## This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and small dark spots, characteristic of old paper. The left edge of the page shows the binding of the book.
