[illegible]

A photograph of a manuscript page from the Voynich manuscript. The left side of the page contains a column of text written in Voynich script, with several lines visible. The right side of the page features a large, dark, textured illustration, possibly a map or a detailed drawing of a landscape or object, which is partially obscured by a vertical strip of material, likely a binding or a piece of tape. The overall appearance is aged and historical.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf from an old book. The paper has a slightly textured appearance with some minor discoloration and faint, illegible markings, possibly from a previous page or binding. The right edge of the page is bound, showing a dark, possibly leather or cloth, binding material. The left edge of the page is also visible, showing the binding structure. The overall appearance is that of a well-preserved but aged piece of paper.
