Discipline in our Republican Army

In capitalist armies they always say that discipline is the principal force. This is true. But it is even more true in our army. Discipline in capitalist armies is maintained by severe disciplinary measures and by deceit.

In our Army discipline is voluntarily accepted AND THIS MUST ALWAYS PREVAIL IN THE 15th BRIGADE! Up to the present this discipline has been maintained in face of the enemy and this has meant that Fascism has not passed.

It is true, nevertheless, that some elements have failed to apply this discipline. Some have got drunk, others have refused to carry out duties, etc. We must put the question bluntly: Shall we let the cohesion of our forces be shattered by those alien elements? All anti-fascist fighters will answer, emphatically: NO!

Measures must be taken to punish the culprits and to eliminate bad elements. Any such action is in the general interest of our Army and of the world working-class.

We are confident that our comrades will, by their good example, minimise the need for such measures and that the Political Commissars will do their utmost to eradicate all tendencies to indiscipline and so carry on the political education of our comrades as to make our Battalion worthy fighters in the cause of Peace and Liberty. It is this discipline which will guarantee victory over the forces of world Fascism.

A "Right Book Club" !

This is not a good one and will be appreciated only by those who are aware of the success of the Left Book Club. The Tories are forming a "Right Book Club". There is a row developing on two counts. 1. no agreement can be found as to the book and 2. no agreement can be reached as to the publisher. It is clear that the Tories will not be able to compete.
