ORGAN OF THE FRONT OF THE XV BRIGADE

News From The Fronts.

CORDOBA. The Government has captured another village in the direction of the objective of their advance - Penarroja. The name of this village is La Granjuela, and a lot of munitions were found there. Yesterday, April 4th. we captured the village of Valsequillo.

GUMDALAJARA. Today our aircraft destroyed a convoy of lorries and war material in Avila.

JARAMA FRONT - OUR FRONT. The large scale attack resulted in considerable strategic success.

NORTHERN FRONT. We continue to hold the positions we gained this week, in face of Fascist attacks.

BILBAO FRONT. General Mola's forces have captured the village of Ochandiano, but our Basque forces continue to hold the surrounding heights which means they are in a very strong position.

ARAGON. The government has made a certain advance on this front.

CORDOBA FRONT. Further news states that we have managed to cut the Cordoba- Penarroja road.

SEVILLA. The government war-ships bombarded the Foreign Legion barracks in this town, and completely destroyed them.

NAZI Activity in S.Africa.

The S.African has becoming alarmed at the increasing Nazi activity in that country and have taken steps to end it. Amongst others, a law has been passed forbidding anyone not of British Nationality to belong to any political organisation. The German Ambassador has protested to General Hetzog to what he calls the unprovoked anti-nazi declaration.

More Railway Accidents in London.

Following on the railway accident the other day, two more such accidents occurred on Sunday, both of goods trains and ballasts trains. One driver was killed. Two of the injured of the accident the other day have died.

Wireless (B.B.C.) Items.

GLASGOW. Beardmore's Strike. The strike-committee with their district committee of A.E.U. behind them, have declared they are prepared to prolong the strike indefinitely. Their official position is uncertain, as the executive committee of the A.E.U has made no statement yet. They met in London yesterday, but the General Secretary declined to make any statement. An application has been made for relief, and a social sub-committee of the Glasgow Corporation is in session to discover how far they are entitled to relief.

SCOTLAND. The Clyde-Side Apprentices strike has spread to three more ship yards, and there are now 6000 youths out. Most of the yards cannot possibly get a youth to work.

MINERS. The Scottish Miners have tendered notices for a strike on May 9th. and if a new agreement is not signed. They are also stated they will strike on behalf of the Haworth Miners, and for the recognition of the Notts M.F. A similar declaration has been made by the Yorks M.F.

At Notts coalfield, the new age board had granted an increase to the lower paid workers of 5d. per shift.

A new agreement was signed in S.Wales today for a general increase for all miners.

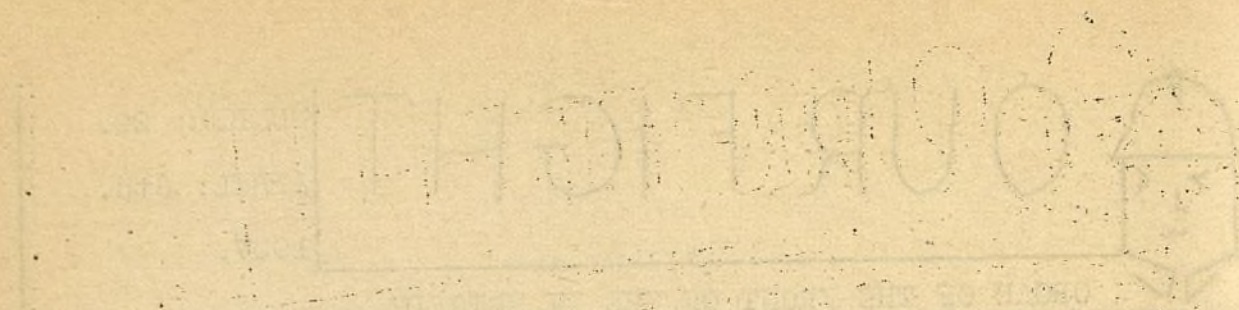

BELGRADE. A vast anti-fascist, anti-Italian demonstration took place. 600 arrests were made.

FRANCE. Col. de la Rocque and 4 of his lieutenants have been summoned before the courts.

AMERICA. At the World Conference here, the British Textile Delegation opposed the motion for 40 hours week, as it would lower the earnings of the operatives.
