

OUR FIGHT

NUMBER: 34.

APRIL: 22nd.

1937.

ORGAN OF THE FRONT OF THE XV BRIGADE.

COMRADE GALLACHER'S GREETINGS.

Greeting Comrades
Although I am going off
my heart is with you in
the great fight you are
making for European
freedom.

Fascism is in the
fun. Keep it running
until victory is won.

The workers everywhere
are proud of you & watch
with keenest interest
every advance in the
struggle.

Knowing you has been
a privilege of which
I am very proud.

All the best Comrades
You have done a great
job - Salut.

Com. Gallacher, R.P.

Above is written a greeting
from Comrade Gallacher. This, toge-
ther with the one from Comrade
Allitt, makes this bulletin
historic.

All of us will ever remember the
visit of Comrade Gallacher.

PRAVDA On the Control Plan.
PRAVDA write that the
importance of the Control Plan by
many and Italy means only that
they will refrain from interfering
much as in the past.

News From the Fronts.

TERUEL. Yesterday on the TERUEL
front we captured the important
town of Celades, and have already
cut the enemy connections between
Zaragoza and Teruel at Catalayud,
which is also in our hands. The
railroad is under our fire. In
addition the advance of our troops
has made the mining centre of Ojos
Negros untenable for the fascists.
At Celades we took an important
quantity of munitions - 2 anti-
aircraft guns, 14 machine guns,
300,000 cartridges, 1 anti-tank gun,
a 15.5 gun, two 10.0 guns, four
7.5 guns and a number of lorries.

MADRID. The siege of the Fascists
in University City continues, in
spite of repeated attempts to break
through.

TOLEDO. The blowing up of the Toledo
munition factory has produced a
serious panic amongst the fascists.
The explosion caused was enormous
as the building was full of bombs and
other munitions, including hundred
of thousands of cartridges.

SOUTHERN FRONT. The attempts of
the fascist surrounded in Santuario
to break out have been repulsed
with ease.

BILBAO AND THE ASTURIAS. Little
of importance. An English boat
"Seven Seas", has arrived loaded
with foodstuffs.

VALENCIA. According to information
from Naples, the crew and staff of
the hospital ship "Gravistan" have
been under arrest for more than a
month and a half for refusing to
be employed on behalf of Franco.
It is reported that every day
Italian and German soldiers are
being arrested for refusing to fire
on the Spanish people. These thousands
of unknown comrades are fighting in
this way for the Spanish Republic
and the workers of the whole world.
Their part in the struggle will
never be forgotten.

Latest News.

TOLEDO. Our troops have reached
the outskirts of this city.

Details tomorrow.
