

Homenaje al heroico defensor de la posición de Santa Quiteria

AYER LE FUE IMPUESTA LA MEDALLA MILITAR

En el cuartel del batallón de Ferrocarriles de la séptima unidad, Agrupación de Movilización y Práctica de Ferrocarriles, cuyas fuerzas manda el coronel Sicil, se celebró ayer mañana la entrega de un diploma nombrando al defensor de la posición de Santa Quiteria, en el frente de Aragón, en octubre de 1936.

Los compañeros y camaradas del comandante Jiménez Ruesga acordaron regalarle por suscripción las insignias de la Medalla Militar, pero el propio jefe decidió que lo recordado se destinara al Patronato de Huérfanos de Militares. Con este motivo, el Patronato, que preside el ilustre coronel Tarduchy, y cuantos contribuyeron al regalo de las insignias, le han ofrecido un álbum en el que conste su firma y el diploma de socio protector del Patronato.

Al homenaje rendido ayer al heroico comandante Jiménez Ruesga asistieron el director general de Transportes Militares, general Barrio; el jefe de Fortificaciones Militares, general Rodríguez; el comandante general de Ingenieros, jefe de las unidades de dicha Armada, y numerosas personalidades, entre ellas el director general de Ferrocarriles y Transportes, D. Pedro Benito Barrachina; el presidente del Patronato de Huérfanos de Militares, coronel Tarduchy; el director de la Red Nacional de Ferrocarriles, Sr. Marquina; alto personal de los servicios de Ferrocarriles y Transportes y numerosos jefes y oficiales del Cuerpo de Ingenieros.

El general Barrio pronunció unas palabras en las que relató el heroico comportamiento del comandante Jiménez Ruesga, y éste le contestó en breves palabras para expresar su gratitud por el homenaje y declarar, modestamente, que no había hecho más que cumplir con su deber.
