Get a load of this monster  
He doesn't know how to communicate  
His mind is in a different place  
Will everybody please give him a little bit of space?

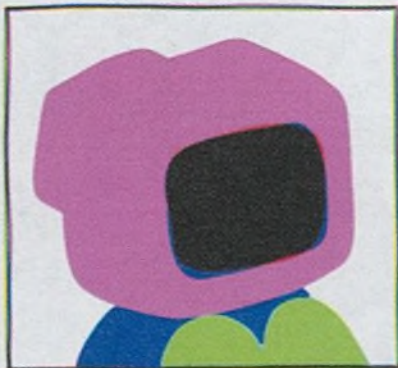

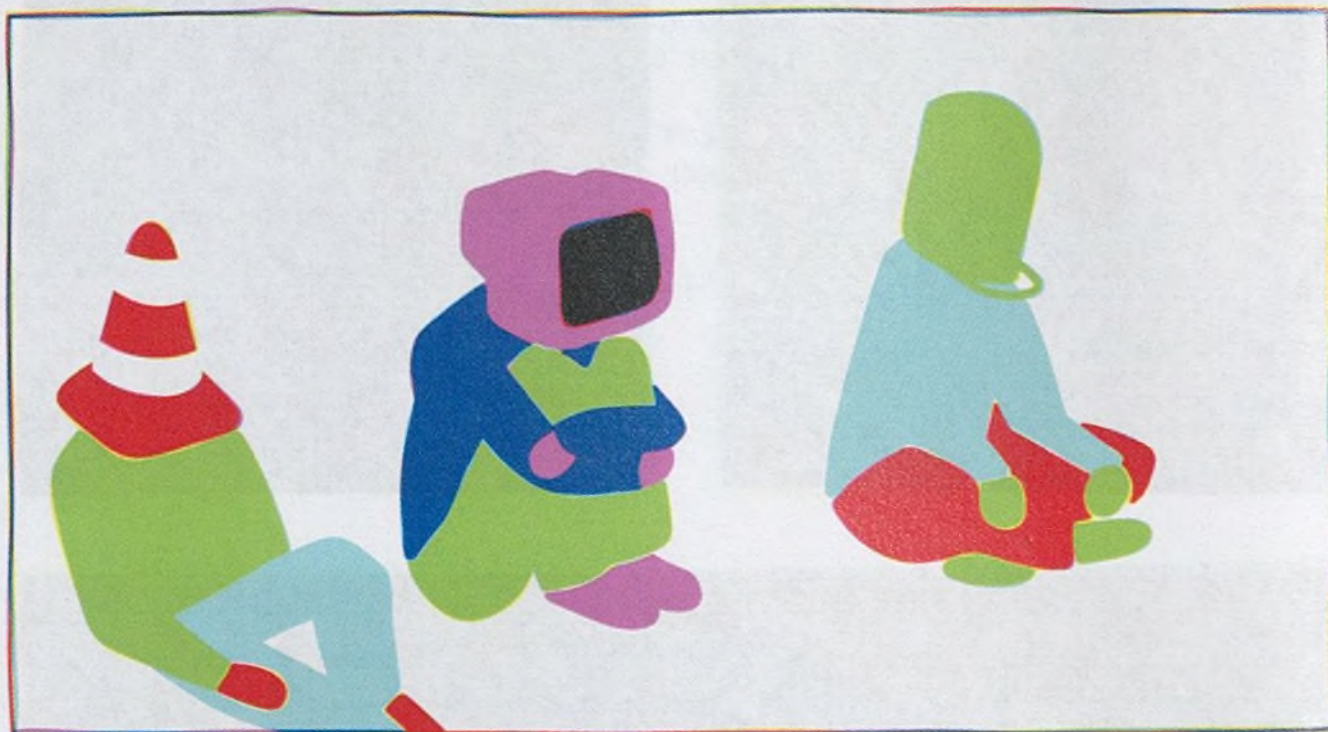

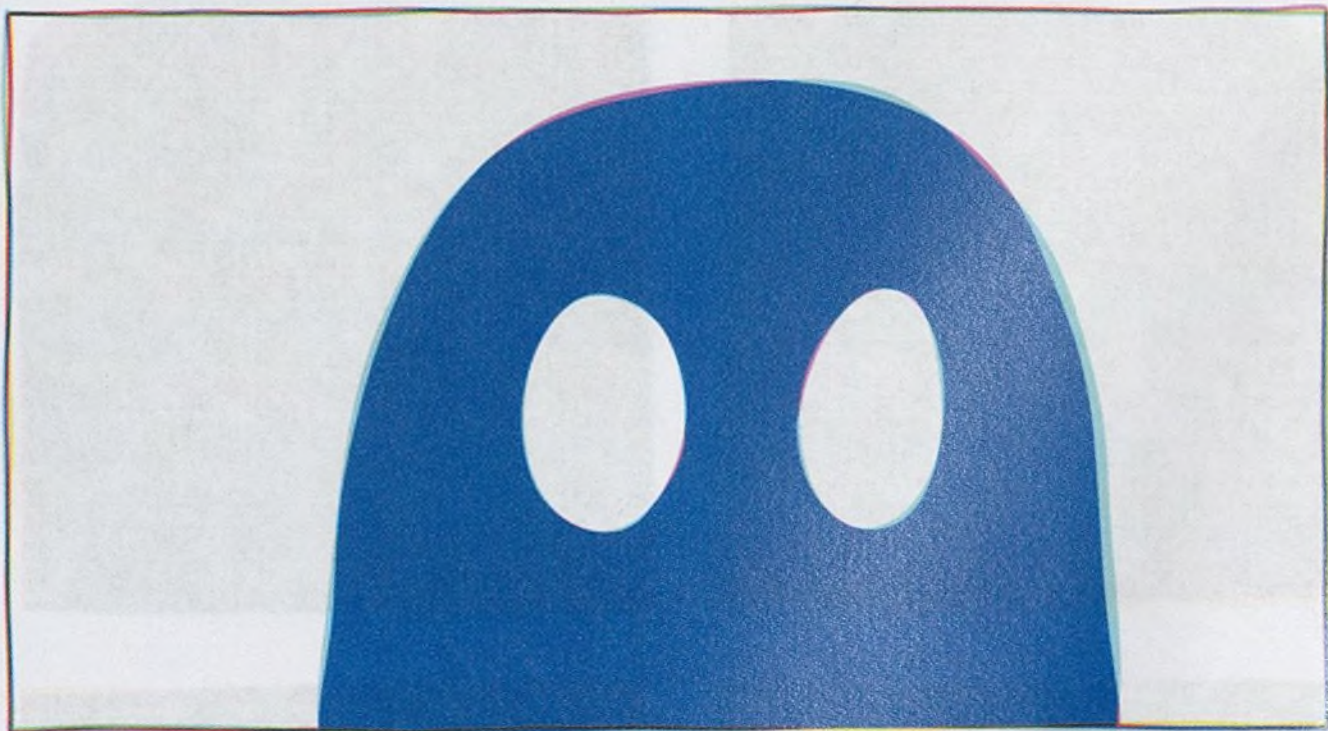

Get a load of this train wreck  
His hair's a mess and he doesn't know who he is yet

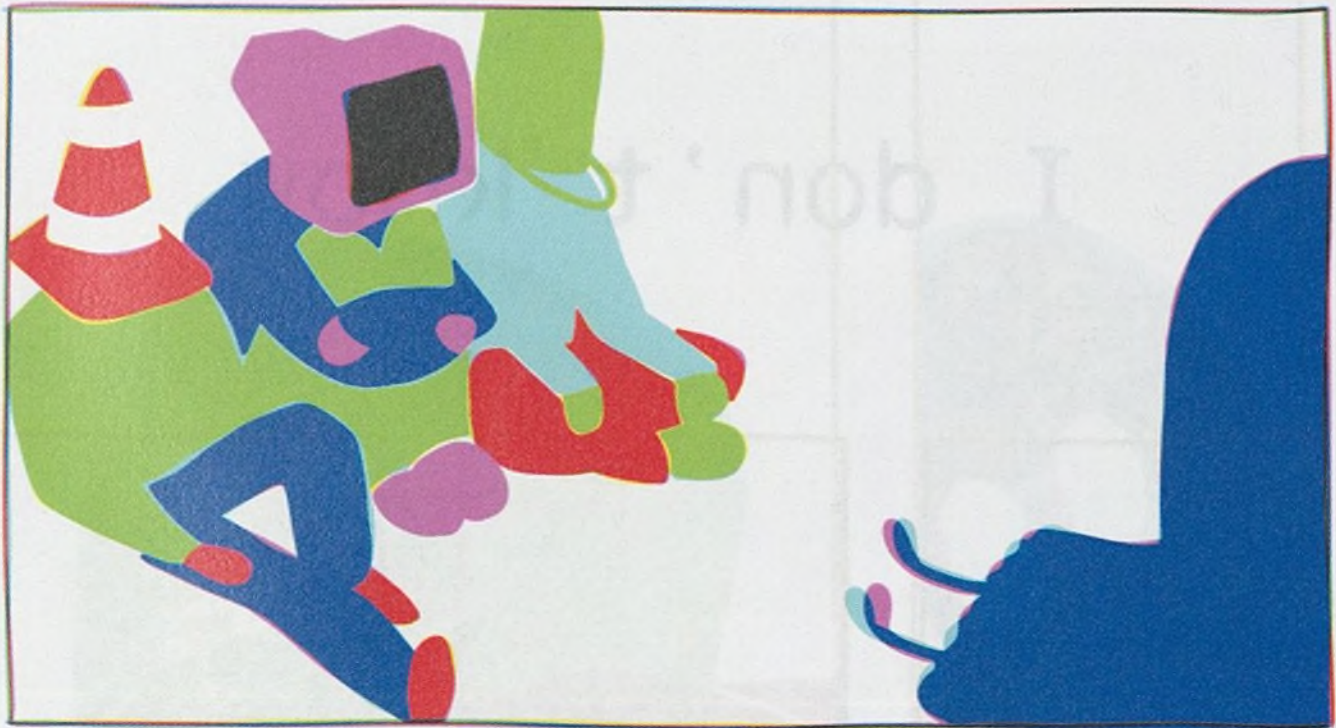

But little do we know, the stars  
Welcome him with open arms

It will pass  
anyway

In moments like this it's hard to breathe steadily  
The world is spinning and my hands shake uncontrollably  
Life's a hair, one gentle blow and it could be gone  
And I've never felt so afraid

We're on the earth, on solid ground  
Do you have any idea how lucky you are to be around  
You're not alone, please never forget  
My arms are your second home
